EDUCATION

- Gharda Institute of Technology
Bachelor of Engineering in Computer Engineering
CGPA : 8.7 (Among the top 5% of the batch)
- **HSC (12th):** Maharashtra State Board – 71% | 2022
- **SSC (10th):** Maharashtra State Board – 95% | 2020

Maharashtra, India
2022 – Present

SKILLS

Languages: Java, Python, Kotlin, C, XML, SQL, Bash

Frameworks & Tools: Android Studio, Firebase, Git, REST APIs, Spring

Cloud & DevOps: Google Cloud Platform (GCP), RHCSA (Linux), Docker, AWS, CI/CD

Database: MySQL, Firebase Realtime DB, SQLite, MongoDB

Development Areas: Android App Development, Web Development, AI/ML

Other Skills: Data Structures & Algorithms, OOP, Version Control (Git / GitHub)

CERTIFICATIONS

- RHCSA – Red Hat Certified System Administrator (*in progress*)
- Infosys Springboard – Python Programming (*Mar 2024*)
- NPTEL – Java Programming (*Dec 2023*)
- Google Cloud Study Jams – Badges (*Dec 2023*)
- Devtown- Deep Learning using Python (Microsoft Learn Student Ambassador) (*Dec 2022*)

EXPERIENCE

TechnoHacks Solutions Pvt Ltd

Java Development Intern (*Dec 2024 – Jan 2025*)

- Developed Java-based mini applications using OOP concepts and standard libraries
- Practiced real-world implementation of Java fundamentals, file handling, and basic UI

PROJECTS

CityHop - A Rural Taxi Solution

- Developed an application for booking nearby taxis/rickshaws in rural areas with live location and fare comparison
- Includes real-time tracking and booking
- Enhanced transport accessibility for remote users through a simple, location-aware mobile interface

ConnectSphere - An Alumni Student Platform

- Built a software application connecting students with alumni for mentorship, hiring insights, and resources
- Solved lack of structured alumni interaction by enabling guided sessions, chat, and company updates
- Used Firebase for authentication, role management, and real-time chat; Admin managed via custom web portal

HACKATHONS

Hack Celestials – Pillai College of Engineering | Team Lead (*Sept 2024*)

- Built a campus-focused social media platform with user profiles, posts, and event updates to improve college communication

CodeBits 2.0 – Gharda Institute of Technology (*Apr 2024*)

- Developed a medical assistance platform with an AI chatbot to provide basic health support and information
